### **SHOW DESCRIPTION:**

**MAKING THE IMPOSSIBLE POSSIBLE!!!**

They said it was impossible. Closing two years ago under financial pressure and then shuttered by the pandemic, prospects and lights were dim for the return of The Big Apple Circus. But circus is all about **MAKING THE IMPOSSIBLE POSSIBLE!**

This all-new production will feature Guinness World Record daredevil **Nik Wallenda** and his famous family of high-wire walkers. Wallenda has partnered with a team of live entertainment super producers from the circus world, live music and Broadway - Phillip Wm. McKinley, Michael Cohl and Arny Granat to make Big Apple Circus even better, and more exciting. Award winning circus artists from Australia, Brazil, Colombia, Ethiopia, Germany, Russia, and the United States join the Wallendas in this reenergized, reimagined, and reinvigorated production of circus artistry.

You may have seen these performers on America's Got Talent, The X-Factor, or YouTube, but now experience them "live" in this up-close and immersive event. The Big Apple Circus invites your family to become part of their circus family this season. Come see the only show in town where the **IMPOSSIBLE** becomes **POSSIBLE** every night!
